## AMERICANISM NEWS

Gatlinburg Elks Lodge is ordered by the Grand Lodge to make Americanism one of our focuspoints. We have many opportunities to accomplish this goal. The Grand Lodge has set up programs, enabling us to go into the schools and, by way of contests, teach our future leaders the importance of being an American, and what our flag stands for. This year, we need volunteers to assist in overseeing these programs. There is a true need for us to get into the schools and educate these children, our children and grandchildren, of the true meaning of being an American.

Also, we will be making our annual pilgrimage to the Johnson City (Mountain Home) Veterans Hospital in early November. Please be prepared to bake cakes, pies, and other goodies, and this year, volunteer to go along. You will be blessed, and it will be a trip you will not soon forget.

I will be traveling to the VA hospital on September 4. If anyone has clean, wearable clothing or shoes please bring them to the Lodge, and I will transport. Also, due to our overwhelming response to their requests for magazines, we have apparently set a trend, and they are now receiving more than they can even use, and have asked for hardback books only. See what a little effort can do?

Remember, we need VOLUNTEERS!!
