

February is Americanism Month.

Everyone should volunteer to assist Americanism Chairman, David Fairchild, as he visits the Veterans in the local nursing homes and assisting living quarters, collects books and items for Johnson City Veterans, receives the Proclamation from the Mayors office, and the poster contest from the schools in the County. He will need assistance in the judging of the contest. In years past. we received the award for the most active Americanism Committee in the State,
let's continue the heritage.

Go David!!!

ABC SERVER CLASS

There will be an ABC server class at Gatlinburg Elks Lodge on Tuesday,
March 13
