Mac McDonald and David Fairchild, Americanism Chairman

The recent trip to the VA Hospital was a huge success. We donated 2 flat screen t.v.s to the hospital, along with lots of bakery items, clothing, and our goody bags, which contained personal care items, socks, t-shirts, etc.

Special thanks to the following restaurants and staff:

Howards, Best Italian, The Brewery, Cherokee Grill, Linebergers, Texas Roadhouse, The Park Grill, and Duff's.

Also special thanks to Jack Miller Sr for the generous donation of clothing.

David Fairchild, Chairman
